2009 – 2010 Payment Information and Calculation Form

Payment at AEC is by the day. Committing to a day means that you will pay for that space on that day for that session whether or not your student attends so that you do not lose that spot on that day. This allows us to figure out what staff coverage we need and to plan accordingly.

- The daily fee is \$27 and which provides coverage from 2:25-6:30 pm.
- For an early release day with dismissal at 1:00, the cost is \$37
- For an early release day with dismissal earlier than 1:00, the cost is \$42
- For every minute you pick up your student after 6:30 there is a \$1/minute late fee
- Enrichment classes often have a fee that is assessed for a session

AEC has 5 sessions for the year (see below for dates).

Billing will be by session.

Invoices are sent out via email one week before the session begins and payment is due in full before the start of that session. A grace period of one week into the session is allowed. After the grace period, a late fee of \$10/week will be added to your bill for every week we have not received payment. AEC will make every effort to contact you by email and phone to remind you of any late payments. Failure to pay for a session will result in your student not being allowed to attend AEC until payment in full has been made. Payment plans can be set up so that you can pay by the month or the year instead of by session.
